Average Grades

The average grade is obtained when multiplying grade by the number of credits of each course: the sum of this product is divided into the total credits registered, for the purposes of calculating the average, the letters PE, RI have a number value of 5.50 until the year 1994 inclusive. As of 1995, they have the following values: PE: 5.50, RI: 5.00. The letters AP, EQ, IC, IN, IT, ITP, NAP, RE, RJ, RM, are not accounted for (according to the Student Academic Regulations).

Information regarding grades, titles and diplomas obtained by the student is not public information, on the contrary, it is information protected by the intimacy charter, so for third parties to access the information, a court order or authorization by the student is required.

Credit: is the unit to evaluate the work of the student and it is equivalent to three week hours of his or her work, during fifteen weeks, applied to an activity which has been supervised, evaluated and approved by the professor.

NULL WITHOUT WHITE SEAL OF THE INFORMATION AND REGISTRY OFFICE, THE SIGNATURE OF THE DIRECTOR OF THE UNIVERSITY.

All rights for certification have been validated. File Stamps are cancelled by electronic collection according to law for filing stamps number 4 of December 21, 1934 and further reforms. Tax stamps are cancelled by electronic collection according to executive ruling No. 39529-H of January 13, 2016. Published in the official gazette number 90 of May 11th, 2016.

Average Grades

The average grade is obtained when multiplying grade by the number of credits of each course: the sum of this product is divided into the total credits registered, for the purposes of calculating the average, the letters PE, RI have a number value of 5.50 until the year 1994 inclusive. As of 1995, they have the following values: PE: 5.50, RI: 5.00. The letters AP, EQ, IC, IN, IT, ITP, NAP, RE, RJ, RM, are not accounted for (according to the Student Academic Regulations).

Information regarding grades, titles and diplomas obtained by the student is not public information, on the contrary, it is information protected by the intimacy charter, so for third parties to access the information, a court order or authorization by the student is required.

Credit: is the unit to evaluate the work of the student and it is equivalent to three week hours of his or her work, during fifteen weeks, applied to an activity which has been supervised, evaluated and approved by the professor.
